SIDE POCKET PAIR 1.0

26-02140A

The side pockets are attached with zippers and can be removed and carried together or individually as a backpack. Above is a picture of them connected, 22L storage capacity.

In each size an openable zipper is sewn. That zipper is used to connect the side pockets to our 50L Mission backpack 2.0.

On the back each side pocket has a shoulder strap from 50 mm webbing with a 25 mm holder webbing.

Two side pockets connected and carried as a 22L backpack.

One side pocket carried diagonally across the back.

One side pocket carried as a waist pack.
